

THE ENDODONTIC EVOLUTION:

Peer-Proven Technologies to Improve Clinical Efficacy and Practice Efficiency

Orlando, FL

Applied Learning Program

SATURDAY, NOVEMBER 12, 2022

JW Marriott Orlando Bonnet Creek Resort & Spa

14355 Chelonia Parkway
Orlando, FL 32821

ENDODONTIC TECHNIQUES AND TECHNOLOGIES

Instructed by Drs. Scott Hetz and Michael Ribera, this course will show you how to leverage technologies such as the GentleWave® System, CBCT and clinical dental microscopes to clean and disinfect even complex anatomies with minimal instrumentation.^{2,3} Training will incorporate review of methods for practice optimization to include schedule management, marketing techniques and referring practices.

COURSE OBJECTIVES

- Learn innovative techniques in root canal therapy using advancements in technology: The GentleWave System and CBCT
- Discuss best practices in conservative endodontics: reducing instrumentation and increasing dentin preservation^{1,2,3}
- Review the GentleWave System Mechanism Of Action and the science behind its safety and efficacy
- Review the return on investment and related practice management techniques with the GentleWave System, to include scheduling, marketing and practice efficiency
- Apply learnings in a hands-on clinical lab with instructor oversight

THE ENDODONTIC EVOLUTION: PEER-PROVEN TECHNOLOGIES TO IMPROVE CLINICAL EFFICACY AND PRACTICE EFFICIENCY

Join us for an immersive experience where you'll observe advanced practices in preserving tooth structure^{1,2,3} while cleaning, disinfecting and debriding the root canal system. All participants will apply learnings in a hands-on lab experience.

COURSE INSTRUCTORS

Scott K. Hetz
DMD

Scott K. Hetz DMD, is a 1997 graduate of the University of Pittsburgh School of Dental Medicine. Dr. Hetz served in the United States Air Force for 9 years including an Advanced Education in General Dentistry program. Also while on active duty, he received his specialty Certificate in Endodontics from the University of Southern California in 2004. Dr. Hetz is a Diplomate of the American Board of Endodontics, member of the Endodontic College of Diplomates and Specialist Member of the American Association of Endodontists and District of Columbia Dental Society. He volunteers as Affiliate Faculty in the Department of Endodontics Naval Postgraduate Dental School at Walter Reed National Military Medical Center. Dr. Hetz maintains a full time practice as a partner with Advanced Endodontic Associates in Washington DC.

Michael Ribera
DMD

Dr. Ribera is a 1984 graduate of Boston College and a 1989 graduate of Harvard School of Dental Medicine. In 1990, he completed a general practice residency at Harvard's Brigham and Women's Hospital, and in 1992 received his Certificate in Endodontics and Master of Science Degree from Northwestern University Dental School in Chicago. Dr. Ribera is a member of the District of Columbia Dental Society, a specialist member of the American Association of Endodontists, a Diplomate of the American Board of Endodontics, and a member of the Endodontic College of Diplomates. He is the 2006 recipient of the District of Columbia Dental Society's David Mast Award for excellence in continuing education.
