

THE ENDODONTIC EVOLUTION:

Peer-Proven Technologies to Improve Clinical Efficacy and Practice Efficiency

Lexington, KY

Applied Learning Program

SATURDAY, NOVEMBER 12, 2022

DIDACTIC SESSION

Hyatt Place Lexington
2001 Bryant Road
Lexington, KY 40509

HANDS-ON LAB

Dr. Weigle's Practice
620 Perimeter Drive, Suite #103
Lexington, KY 40517

COURSE DESCRIPTION

Instructed by Dr. Jacob Weigle and Dr. James Smith, this course will show you how to leverage technologies such as the GentleWave® System and CBCT to clean and disinfect even complex anatomies with minimal instrumentation.^{2,3} Training will incorporate standardization of protocols for RCT as well discussion on a one-day treatment model.

COURSE OBJECTIVES

- Learn innovative techniques in root canal therapy using advancements in technology: The GentleWave System and CBCT
- Discuss best practices in conservative endodontics: reducing instrumentation and increasing dentin preservation^{1,2,3}
- Review the GentleWave System Mechanism Of Action and the science behind its safety and efficacy
- Review the return on investment and related practice management techniques with the GentleWave System, to include scheduling, marketing and practice efficiency
- Apply learnings in a hands-on clinical lab with instructor oversight

COURSE INSTRUCTORS

**Jacob Weigle,
DMD**

**James Smith,
DMD**

Applied Learning Program

THE ENDODONTIC EVOLUTION: PEER-PROVEN TECHNOLOGIES TO IMPROVE CLINICAL EFFICACY AND PRACTICE EFFICIENCY

Join us for an immersive experience where you'll observe advanced practices in preserving tooth structure^{1,2,3} while cleaning, disinfecting and debriding the root canal system. All participants will apply learnings in a hands-on lab experience.

COURSE INSTRUCTORS

**Jacob Weigle,
DMD**

Dr. Weigle is originally from Louisville, KY, he attended the University of Kentucky prior to entering dental school. He received his Doctor of Dental Medicine in 2011 from the University of Louisville School of Dentistry. While at UofL, Dr. Weigle was a recipient of the Health Profession Scholarship Program (HPSP) with the United States Army; following graduation, he practiced general dentistry at Fort Hood, TX for three years; he then completed his endodontic residency in 2016 through the US Army at Ft. Gordon, GA and earned a Master of Science from the Uniformed Services University of the Health Sciences. Dr. Weigle became a Diplomate of the American Board of Endodontics and transitioned to private practice in Lexington, KY w/ Lexington Endodontics in 2019. He is also an assistant professor with the Department of Endodontics at The University of Kentucky College of Dentistry.

**James Smith,
DMD**

Dr. Smith received his dental degree in 1980 from The University of Alabama School of Dentistry and completed his endodontic residency there in 1982. He has been in private endodontic practice for over 36 years and is an adjunct assistant professor with the Department of Endodontics at The University of Alabama at Birmingham School of Dentistry. Dr. Smith has co-authored an article that was published in the November 2014 Journal of Endodontics. His practice is located in Birmingham, Alabama.
