

EXCEED EXPECTATIONS IN ROOT CANAL THERAPY:

TECHNOLOGY INTEGRATION FOR A PREDICTABLE, PROFITABLE, AND PATIENT CENTRIC PRACTICE

INTENDED AUDIENCE

Endodontists interested in learning about new technology including the GentleWave® System.

COURSE OVERVIEW

As new technology emerges in dentistry, questions arise for the modern endodontist: what kind of impact would this technology have on my patients, my team, and my practice? This course will answer these questions and help you gain an understanding of the latest peer-proven technologies in the endodontic space today. Hear from clinicians who have leveraged technology to impact the patient experience, create a more predictable root canal procedure, and maximize profitability for their practice — without adding unnecessary complexity to their routine.

COURSE OBJECTIVES

- Examine the GentleWave System Mechanism Of Action and the science behind its safety
- Discuss opportunities for creating a more predictable and simplified workflow through use of technological advances such as the GentleWave System
- Review the return on investment and related practice management techniques with the GentleWave System, to include scheduling, billing, and marketing
- Apply learnings in a hands-on clinical lab with instructor oversight

COURSE INSTRUCTORS

Michael Tulkki
DDS, MS

Scott Hetz
DMD

SATURDAY, JULY 22, 2023

DIDACTIC SESSION:

THE HOTEL LANDING

925 Lake Street E
Wayzata, MN 55391

HANDS-ON LAB:

WAYZATA ENDODONTICS

101 Lake Street W #100
Wayzata, MN 55391

Please join us for a welcome dinner cruise on Friday, July 21 at 6:00PM departing from Al and Alma's.

AL AND ALMA'S

5201 Piper Road
Mound, MN 55364

JULY 22, 2023 | LIVE

Didactic Session: 8:00AM – 12:00PM CDT

Hands-On Lab: 1:00PM – 3:00PM CDT

Course Fee: \$795

Early Bird Pricing: \$395 If registered by 06/30/23

CE Credits Offered: 6 CEs

Maximum Attendees: 10

COURSE INSTRUCTORS

Michael Tulkki
DDS, MS

Dr. Tulkki is originally from Cold Spring, MN. He attended Gustavus Adolphus College prior to entering dental school at the University of Minnesota. He received his Doctor of Dental Surgery in 2001 from the University of Minnesota Dental School. He had three years of restorative dentistry experience before pursuing two years of specialty training in endodontics. He received his Masters of Science and Certificate in Endodontics in 2006 from the University of Minnesota. While completing his residency his research focus was antibacterial properties of irrigating solution on bacterial biofilms. In 2010, Dr. Tulkki received board certification from the American Board of Endodontists, a distinction pursued by approximately 40% of the endodontists in the country. He is a past president of the Minnesota Endodontic Association.

Scott Hetz
DMD

Dr. Hetz is a graduate of the University of Pittsburgh, and the University of Pittsburgh School of Dental Medicine. He completed an Advanced Education in General Dentistry in the United States Air Force and received his specialty Certificate in Endodontics from the University of Southern California. Dr. Hetz is a Diplomate of the American Board of Endodontics and a member of the Endodontic College of Diplomates.
