

GENTLEWAVE® PROCEDURE:

# ROOT CANAL THERAPY TO OPTIMIZE PATIENT OUTCOMES AND PRACTICE INCOMES

Sound Science®  
ACADEMY

## INTENDED AUDIENCE

General dentists looking to learn the latest advancements in root canal therapy, including the GentleWave System.

## COURSE OVERVIEW

This course will show you how to leverage technologies such as the GentleWave System to clean and disinfect the tooth's natural anatomy with minimal instrumentation. Training will evaluate methods for treating root canal cases with consistency, predictability, and less post operative pain, as well as incorporation of a one-day treatment model.

## COURSE OBJECTIVES

- Review standardization in RCT protocol and the integration of technology to include the GentleWave Procedure, files, sealer, and other instrumentation
- Understand how to create a one-day treatment workflow for RCT, which includes evaluation, diagnosis, anesthesia, decay removal and restoration
- Discuss the GP and Endo referral relationship and how to partner to best serve your patient population
- Review the economic impact of implementing a one-visit model into your practice
- Apply learnings in a hands-on clinical lab with instructor oversight (live attendees only)

## COURSE INSTRUCTORS

**Ryan Facer**  
DDS  
Endodontist

**Enrico DiVito**  
DDS  
General Dentist

**Sarah Sloan-Corrigan**  
BA, DAEF  
Lead Dental Assistant

## COURSE INSTRUCTORS

**Ryan Facer**  
DDS  
Endodontist

Dr. Ryan Facer earned his dental degree and specialty training from the University of Iowa, where he graduated with high distinction. He also received a bachelor's degree in medical biology from the University of Utah and has published in peer-reviewed journals such as the Journal of Endodontics and the Journal of Dental Research. His research interests range from sealer coverage, bacteriophage therapy, roentgen therapy and adult stem cells, with an emphasis on bone biology and dental trauma. Dr. Facer currently practices at Greater Endodontics in Salt Lake City, UT.

**Enrico DiVito**  
DDS  
General Dentist

A native of Phoenix, AZ, Dr. Enrico DiVito founded his dental practice in Scottsdale in 1980. "Dr. Rico" is also the founder and director of the state-accredited Arizona School of Dental Assisting. In addition to teaching at the school, Dr. DiVito is also a clinical instructor at the Arizona School of Dentistry and Oral Health and is responsible for helping create the Department of Laser Dentistry. Dr. DiVito holds a number of patents for dental products which are revolutionizing the way dentistry is being performed globally. He greatly enjoys being an educator in innovations in dental healthcare and genuinely cares for the well-being of his patients.

**Sarah Sloan-Corrigan**  
BA, DAEF  
Lead Dental Assistant

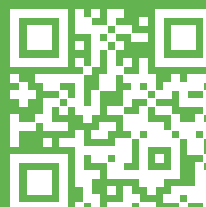

Sarah is born and raised in San Francisco and graduated from Stanford University. She started working in a general dentistry office in 1998 and fell in love with the variety and uniqueness of both the doctors and patients. She moved to Arizona in 2003 and continued her career as a dental assistant. Sarah joined the team at Arizona Center For Laser Dentistry (Dr. Enrico and Roberto DiVito) in 2011 and has never looked back. She has helped to incorporate an "all for one, one for all" atmosphere into the office. You can find her assisting Dr. DiVito, educating patients, and whatever else needs to be done to help the team. Sarah is happily married and proud mother of one son and two daughters, and her family keeps her busy. If she has the time, you may find her at a sports bar enjoying a game and loves watching her favorite rugby.
