

GENTLEWAVE® PROCEDURE:

ROOT CANAL THERAPY TO OPTIMIZE PATIENT OUTCOMES AND PRACTICE INCOMES

INTENDED AUDIENCE

General dentists looking to learn the latest advancements in root canal therapy, including the GentleWave System.

COURSE OVERVIEW

This course will show you how to leverage technologies such as the GentleWave System to clean and disinfect the tooth's natural anatomy with minimal instrumentation. Training will evaluate methods for treating root canal cases with consistency, predictability, and less post operative pain, as well as incorporation of a one-day treatment model.

COURSE OBJECTIVES

- Review standardization in RCT protocol and the integration of technology to include the GentleWave Procedure, files, sealer, and other instrumentation
- Understand how to create a one-day treatment workflow for RCT, which includes evaluation, diagnosis, anesthesia, decay removal and restoration
- Discuss the GP and Endo referral relationship and how to partner to best serve your patient population
- Review the economic impact of implementing a one-visit model into your practice
- Apply learnings in a hands-on clinical lab with instructor oversight (live attendees only)

COURSE INSTRUCTORS

Roberto DiVito
DDS
General Dentist

Dr. Roberto received his B.S. degree from Arizona State University and graduated from the University of the Pacific Dental School in San Francisco, California. Dr. Rob returned home to Arizona to join his father's private practice in Scottsdale, where the two worked together as a unique father/son team with a combined experience of 50 plus years. Dr. Rob is a member of the AZ Dental Association, the American Dental Association, Academy of General Dentistry, the Academy of Laser Dentistry, and a founding member of the International Academy of Innovative Dentistry. Dr. Rob teaches as a Clinical Instructor at the Arizona School of Dentistry and Oral Health (ASDOH) in Mesa, AZ.

Derek Peek
DDS, MS
Endodontist

Dr. Derek Peek was born in Oklahoma City, Oklahoma, and attended Heritage Hall. He graduated from Wheaton College in Wheaton, Illinois with a Bachelor of Arts in Kinesiology. Dr. Peek graduated from the University of Oklahoma College of Dentistry. He attended Louisiana State University School of Dentistry for his endodontic residency. He is an active member of the following organizations: American Board of Endodontics (ABE), American Association of Endodontics (AAE), American Dental Association (ADA), and Iowa Dental Association (IDA). As a staff clinician at UnityPoint Health — St. Luke's Hospital, he treats patients in the operating room as needed.

Sarah Sloan-Corrigan
BA, DAEF
Lead Dental Assistant

Sarah is born and raised in San Francisco and graduated from Stanford University. She started working in a general dentistry office in 1998 and fell in love with the variety and uniqueness of both the doctors and patients. She moved to Arizona in 2003 and continued her career as a dental assistant. Sarah joined the team at Arizona Center For Laser Dentistry (Dr. Enrico and Roberto DiVito) in 2011 and has never looked back. She has helped to incorporate an "all for one, one for all" atmosphere into the office. You can find her assisting Dr. DiVito, educating patients, and whatever else needs to be done to help the team. Sarah is happily married and proud mother of one son and two daughters, and her family keeps her busy. If she has the time, you may find her at a sports bar enjoying a game of rugby.
