

EXCEED EXPECTATIONS IN ROOT CANAL THERAPY: TECHNOLOGY INTEGRATION FOR A PREDICTABLE, PROFITABLE, AND PATIENT-CENTRIC PRACTICE

INTENDED AUDIENCE

Endodontists interested in learning about new technology including the GentleWave® System.

COURSE OVERVIEW

As new technology emerges in dentistry, questions arise for the modern endodontist: what kind of impact would this technology have on my patients, my team, and my practice? This course will answer these questions and help you gain an understanding of the latest peer-proven technologies in the endodontic space today. Hear from clinicians who have leveraged technology to impact the patient experience, create a more predictable root canal procedure, and maximize profitability for their practice – without adding unnecessary complexity to their routine.

COURSE OBJECTIVES

- › Examine the GentleWave System Mechanism of Action and the science behind its safety
- › Discuss opportunities for creating a more predictable and simplified workflow through use of technological advances such as the GentleWave System
- › Review the return on investment and related practice management techniques with the GentleWave System, to include scheduling, billing, and marketing
- › Apply learnings in a hands-on clinical lab with instructor oversight

COURSE INSTRUCTORS

Kirk A. Coury
DDS, MS

Francisco Nieves
DDS

SATURDAY, JULY 20, 2024 | LIVE

SONENDO HEADQUARTERS

26081 Merit Circle, Suite 117
Laguna Hills, CA 92653

Didactic Session: 8:00AM – 12:30PM PST

Live Demo & Hands-On Lab: 1:00PM – 3:30PM PST

CE Credits Offered: 7 CEs

Maximum Attendees: 12

SATURDAY, JULY 20, 2024 | VIRTUAL

Didactic Session: 8:00AM – 12:30PM PST

CE Credits Offered: 4 CEs

COURSE INSTRUCTORS

Kirk A. Coury
DDS, MS

Dr. Coury attended Texas Tech University and received his DDS degree from Baylor College of Dentistry in 1987. A year after, he entered the endodontic residency program at the University of Texas Health Science Center – Houston where he received his Certificate in Endodontics and a master's degree in Dentistry. He opened his practice in Amarillo, Texas in December 1990 as the first endodontist in the Panhandle area. Dr. Coury is a Diplomate of the American Board of Endodontics, and Fellow of the International and American College of Dentists. He has authored several papers, and lectures frequently.

Francisco Nieves
DDS

Dr. Nieves grew up in Fort Worth, Texas and attended college at Saint Bonaventure University on a swimming scholarship. He then received his DDS from the UT School of Dentistry in Houston and immediately went on to complete his endodontics specialty training at Rutgers School of Dental Medicine. The following year he became a Diplomate of the American Board of Endodontists. Dr. Nieves has co-authored articles in the Journal of Endodontics and International Journal of Endodontics, and has now been practicing for 3 years serving his home community in Fort Worth.
